HELPING CHILDREN BE SUCCESSFUL DURING THEIR TESTS

Preparing your children for school is a daily priority but on testing weeks it is important to double check that your children are physically and mentally prepared to have great testing days. Please read and practice the following tips during these critical days.

MAKE SURE YOUR CHILD GETS A GOOD NIGHT'S SLEEP AND EATS A HEALTHY BREAKFAST

Nationwide many educators report that students who don't do well on tests haven't gotten enough sleep and haven't eaten breakfast on the mornings when they test. Doing both of these things will ensure that your child is working at full capacity and focused.

MAKE SURE YOUR CHILD IS PREPARED

As a school we supply the tools your child needs for the test, such as pencils, an eraser, paper, etc. Check with your child's teacher to see if the class needs any materials. Also, check to see whether your child will be able to make up the test if he/she is sick on test day the day after or take it a day prior. Please schedule all doctor appointments if possible for the afternoon as all testing will take place in the mornings. Students that arrive late might not be allowed in the classroom until their testing session is complete. They will have to wait in the office.

REMAIN POSITIVE

Staying calm will help your child stay calm. If he/she gets nervous about the test or is likely to experience anxiety during the test, help him/her practice some relaxation techniques that he/she can try once he/she is taking the test. Encourage your children at home to give their best effort! Reassure them that a test is just an assessment intended to measure their knowledge and evaluate what areas they may need to improve and/or need more practice.

SUMMER SCHOOL

We will once again be hosting a summer school program on our campus to provide students in need with more instruction and practice in reading and mathematics. We will be capping class sizes to 20 students to allow for more individualized support time in each room. Enrollment will take place in two phases and classes will be filled on a first-come, first served basis. In Phase 1, only students that are recommended for summer school will be permitted to enroll. In Phase 2, any remaining spots in classes will be made available to our full student body. Summer school at Maryvale Prep will be held at our current campus on 63rd Ave and Indian School Rd. from June 4 to June 29. **Summer school invitations will be sent starting next week as teachers begin to evaluate student academic data.** Please be on the lookout for further details.

ACADEMIC FIELD DAY

We are so excited for our sixth annual K-5 Academic Field Day on Thursday May 3rd! Academic Field Day is not only a joyful and fun day for Maryvale Prep but it is also a day for our students to join together and celebrate their learning! The students will be competing in multi-grade level teams and participating in a variety of different games. We look forward to seeing our students recap what they have learned so far and extend that learning outside of the classroom. Students do not need to bring anything to school. We will also be serving lunch at the normal time, as well as a snack during the morning. We are also looking for any parent volunteers to help out during the day. If you would like to volunteer, please email Mrs. Horne (ahorne@maryvaleprep.org) or Mrs. Scofield (cgardner@maryvaleprep.org) by Wednesday, April 25th. Thank you!

2018-19 SCHOOL INFORMATION

The excitement for next year continues to build! See below for video and document links that provide a wealth of information of what we are pursuing in this great mission to prepare every child for college, a virtuous life, and leadership in the community.

ATHENAEUM AFTER-SCHOOL PROGRAM

After-School Athenaeum is a tuition-based extension of the school day starting **next school year**. It will feature dedicated homework time and high-quality enrichment opportunities. Our activities and lessons are aimed at improving students' scholastic performance by reinforcing the lessons, virtues and curriculum of the classroom. But it's not all academics! Athenaeum scholars also enjoy time for recreation, games, socializing and just plain fun. Athenaeum is open to grades K-9 and runs daily from the dismissal bell (even on Early Release Days) until 6:00pm.

Early-Bird Registration Begins April 23, 2018
